

THE ZOROASTRIAN CO-OPERATIVE BANK LTD. (SCHEDULED BANK)

Our Zoroastrian community has contributed immensely in building very many Institutions in India and one of them is the Zoroastrian Co-operative Bank (ZCB) founded way back in 1927.

Today, it is the only truly community-centric organisation where the majority of our share-holders, customers, employees and Board Members are from within the community. ZCB is a small but sound Bank and is participating in various community projects. Basically, being a Bank, our focus is on mobilisation of the savings of our community and channelising them towards enterprise development within the community. It is our firm belief that only through entrepreneur development do we bring prosperity to the community.

In this direction, we have recently decided to work very closely with WZCC, WZO and BPP thru their Venture Funding arm. We have a large number of well-meaning organisations and it will be our sincere endeavour to co-ordinate their activities for the common good of our people.

In our efforts to garner larger resources, we solicit the patronage of our brethren who are settled abroad and still have family links with India. ZCB is an authorised dealer in foreign exchange and can provide deposit facility for Non-Resident Indians (including Persons of Indian Origin status) by way of NRE accounts. Like all other commercial banks, ZCB offer interest at the rate of 4.52% for Deposits up to 2 years at present, subject to such changes as may be prescribed by our regulators.

Effectively, the deposits so garnered, will go towards helping many of our young entrepreneurs, who, instead of seeking 9-to-5 jobs, will use them for development of their business. This not only helps in creating wealth for the community but it also offers many other youngsters employment opportunities.

For this purpose, we have evolved many schemes to support not only the entrepreneurs but also professionals like doctors, chartered accountants, lawyers, mobeds etc.

It will therefore be appreciated that by keeping a part of your savings by way of NRE deposits with ZCB, you will participate in our endeavour to bring about a positive change within the community. We sincerely solicit your support.
