

Honourable Voters,

The Election to the Bombay Parsi Panchayet Trust is just round the corner. It is time the trust gets hard working, honest and action oriented trustees who will work towards the betterment of the entire community.

I, Mr. Kersi Minocher Patel is standing for the B.P.P. Trustee's election to serve the community in all possible ways.

I am glad to say that I have more than 30 years experience in organising various sports activities like Telematch, Cricket, Football, Scooter and Motor Cycle racing, etc. I want to use my knowledge in promoting and providing better sports facilities for the youth of the community. I have been racing for the past 36 yrs. and at the age of 62 yrs. I am still participating in many Motor cycle competitions all over India. As a profession I used to manufacture wooden barrels and folding wooden chairs at Yezdi Furniture & Products. I then started RNZ service station for scooters and managed "Daulat Abad" Chickoo farm in Dahanu.

My father Mr. Minocher Jamshedji Patel was the world record holder for non-stop Club swinging for 73 hrs. My son's Neville, Zubin & Rustom are all National & International Champions in Motor Bike racing. My son Zubin is Chatrapati Shivaji award winner. Rustom is current & defending National Champion of India & will also be going to Taiwan for World Championship on 14th Sept. 2008 representing India. My brother Fali and nephew Kaizad, Yezdi, Percy & Firdaus are also Motor Bike Champions in their own rights.

I also intend solving the housing problems of the poor and middle class families by providing very economic housing with long periods of loan facilities.

I am a retired man and I will devote all my time to serve the people. I am always available and easily approachable to serve the people.

Please vote for me to bring smile on the poor Zoroastrian face & for the upliftment of our community and bring back old glory of our community.

**Always ready to serve you anytime**

**Mr. Kersi Minocher Patel**

Flat No. 14, Rustom Baug 17B, Sant Savta Marg, Byculla,  
Mumbai - 400 027. • Mob. No. : 9220918977

## My plans & policy for our Zoroastrian community

1. To solve the acute shortage of housing among the community by taking the advantage of Government of Maharashtra's Cluster Development Plan.
  - A. To reconstruct old deploded buildings and chawls with new layout with ample open space for
    - a. Gardens
    - b. Playgrounds with indoor sport facilities
    - c. Educational institutions imparting higher education in all fields
    - d. State of art health care facilities within everybody's reach.

These projects itself is self financing by providing decent houses to all needy/homeless Zoroastrians at very nominal rates. These schemes will not leave any single Zoroastrian homeless and also create a well bounded community.
2. To encourage our youth towards the sports by
  - i. Providing state of art facilities of sports equipments.
  - ii. World class swimming pool to train for national & international competition.
  - iii. Provide financials assistance to sport-persons raised from outsourcing internal stadium
3. To bring back glory of community in Medical fields, Architecture & Engineering, provide all assistance to youth who wants to persue higher education in medicine, architecture, engineering in our own institutes created from redevelopment.

**My dreams come true only and only with your support and blessing by voting and electing as a Panchayet Trustee.**
