

Practical Thoughts - True Words - Right Deeds

Vote for Ervad Framroze Sorabji Mirza.

Only Parsi / Irani Zoroastrian contestant for the post of a Trustee of **BPP** against the big names who have done nothing for the two burning issues of the community viz.·

1. *Doongerwadi*
2. *Inter Faith*

but further aggravated the issues tarnishing progress and name of the community.

For last 10 years its my one marisho~ praying and preaching for dignified disposals, going for Inter- Faith Marriages and N avjotes insisting upon both or either of the Parties has to be Parsi /Iran-i Zoroastrian, both the aforesaid issues are selectively encouraged by *Vada Dasturji Sahebs*. Fighting against CONVERSION with Groups and Individuals.

Lastly contesting in good faith of Parsi / Irani _Zoroastrians who will strengthen my hands by electing me with a convincing majority which would help me in solving burning issue and restoring Peace - Harmony - Progress of Oldest and Respected Parsi / Irani Zoroastrians Community in the world.
