## HOSPITALITY HALL OF HONOR PROCEEDINGS

The Hospitality Industry Hall of Honor has been recognizing industry leaders since 1996. In 2006, the traditional formal reception, induction ceremony and dinner format was expanded to create more interaction among students, industry leaders and faculty.

Today, activities commence with a series of industry-related “Think Tank” sessions involving both students and industry leaders. The Think Tanks are presented by Hospitality Hall of Honor members and moderated by Conrad N. Hilton College faculty and industry leaders. Other highlights of Hospitality Hall of Honor Week include an industry luncheon, reunion dinner for past inductees and the College’s Career Fair.

Thomas W. Lattin serves as managing director of the Hospitality Hall of Honor, while a student board of directors, led by general manager Kristi Baker ('12) and advised by faculty mentor Alexis Hoey, run the entire event.

*We sincerely hope you will be able to join us.  
We look forward to seeing you in October!*
