

International Zoroastrian Jam-e-Janbakhtegan Tournament

After organizing and spreading the International Zoroastrian Jam-e-Janbakhtegan sports Tournament for 33 years, now Zoroastrian Student's Association is inviting Zoroastrian athletes from all over the world to join us in its 34th tournament.

We are coordinating Jam-e-Janbakhtegan in 9 fields of basketball, volleyball, football, badminton, table tennis, chess, running, swimming and cycling in 3 categories of children, teens and adults.

The main purpose of this event is to introduce and admire Zoroastrian athletes nationwide by licenses approved by the national federations. Every year we host 800 competitors in these 9 fields and nearly 5000 spectators.

Our purpose is to bless those who sacrificed themselves in the path of saving this land, the birthplace of Zarathustra. The aim is to set the Zoroastrian sport level to higher standards and strengthen the connections inside the Zoroastrian society.
