Improving the Performance of Sponsorship

Ardi Kolah, Henley Business School, UK

Without a doubt, sponsorship is one of the most powerful promotional tools we have in the business of brand creation, brand recognition, and ultimately increasing sales. If you’re looking for an introduction to this topic, most books available only address sports sponsorship: the largest section of the market perhaps, but by no means the only one.

Improving the Performance of Sponsorship is a guide that examines all types of sponsorship, clearly explaining and defining its mechanics, advising on how to select the right properties, how to sell sponsorship, ethical issues and key legal principles. It will be all keen marketers will need for a thorough understanding of how sponsorship works.
