

APPLICATION FOR MEDICAL AID FOR FURTHER TREATMENT OF METASTIC LUNG CANCER

I, Mrs. Bakhtawar Farokh Panthaky aged 55 years is suffering from Metastatic Lung Cancer and is under Dr. Boman Dhabhar's treatment. I am a housewife and at present undergoing medical treatment under him.. He has prescribed the said AFATINIB tablets 40 mg which is costing Rs. 58,989 /- MRP and after discount it is costing Rs. 49,500/- for one box containing 28 tablets. The said tablet has to be taken for at least one year, daily dosage being one tablet per day.

I live with my husband (Mr. Farokh Fali Panthaky, aged 51), daughter (Ms. Mehernawaz Panthaky, aged 24 years) and my mother (Mrs. Dolly Sumariwala, aged 85 years). We are an average earning family.

An aid with any suitable amount will definitely help in a great way.

Thanking you.

Yours faithfully

Mrs. Bakhtawar Farokh Panthaky
