Project: Coffee Table Book
'BEAUTIFUL MAHABALESHWAR & PANCHGANI'
Story of Maharashtra's Twin Hill Station

RECOMMENDATION LETTER

Dear Friends & Patrons of Mahabaleshwar & Panchgani,

It is my pleasure to introduce Capt Prasoan Srivastava, Veteran; A seasoned print-media publisher (Allegro Infomedia Pvt Ltd) based in Mumbai. He publishes a community print weekly newspaper: 'Planet Powai' and a national print magazine: 'Fauji India' for the Indian Armed Forces.

He specialises in curating coffee table books and general books. His coffee table book – BEAUTIFUL POWAI – is a fine chronicle pictorially illustrated with well-researched text with a world-class presentation glorifying Mumbai's iconic suburb. (*scan QR below to check this book*)

Now, he is undertaking to curate a coffee table book on *Mahabaleshwar & Panchgani* in popular format. This book would be a maiden attempt to present this twin-hill-station in a coffee table book format in public domain. It may be of interest to note that there are hardly any books on this twin-hill-station.

He met me and explained his vision and project execution, which I appreciate. I am convinced that he and his team will bring out an apt and deserving coffee table book on this twin-hill-station.

This would fill a long-standing gap in printed-work and will be an effort in highlighting elements that will serve not only as a reference, but also a recorded treatise on the region for notice of state administration and policy makers. It shall also serve as a memento for tourists, collectible for book-lovers and reference book in libraries.

Capt Prasoan shall be approaching you for seeking support with details and sponsorship plans. Let us be a part of making history, by getting a coffee table book on our dear *Mahabaleshwar & Panchgani*.

JAI HIND!
