Legacy of Cyrus the Great

Presented by: Sam Billimoria

Celebrate the upcoming Cyrus the Great Day with us!

This special lecture and discussion honours Cyrus the Great, the founder of the mighty Zoroastrian Achaemenid Empire of Persia and his timeless legacy of the First Charter of Human Rights, justice, freedom, and respect for all faiths. His model of governance has provided a foundational framework for Western democracies and notably influenced the constitutional ideals of the American founding fathers. Join us as we reflect, remember, and take inspiration from his vision that continues to guide and inspire us today.
